

The Association of Community Health Partnerships Annual Conference and AGM

CONFERENCE INFORMATION

Venue

The Conference will be held in Crutherland House Hotel, Strathaven Road, East Kilbride, G75 0QZ on Thursday 10th/ Friday 11th September 2009.

Distances to venue

Glasgow City Centre	16 miles
Glasgow Airport	15 miles
Edinburgh City Centre	47 miles
Edinburgh Airport	40 miles
Stirling	37 miles
Ayr	36 miles
East Kilbride Railway Station	2 miles

Conference facilities

The venue, with its new conference facilities, has its own entrance with large reception area, a large meeting area suitable for plenary presentations with an adjoining area suitable for teas, coffees, lunches and exhibitions. There are 9 other rooms available for group/ session work, all of which can be converted to accommodate larger numbers where required.

Conference format

The Conference this year will differ from previous years in that 'discussion sessions' will take the place of the previously used 'parallel sessions'. These will concentrate on the major issues and topics facing CHPs/CHCPS and partner organisations and will be of longer duration and fully facilitated to ensure that delegates derive the maximum benefits from the sessions. The Conference Programme will of course, as before, include a number of high profile speakers from the Scottish Government, other areas of the NHS and partners.

Hotel facilities

The venue offers 75 luxury bedrooms as well as full leisure and fitness facilities, a 2 AA Rosette awarded restaurant, cocktail bar and lounge area as well as car parking for up to 200 cars.

An outline programme for the event will be sent to you in the near future. This will be followed by the final Conference Programme, together with registration and accommodation booking forms.
